## COMMERCIAL REFRIGERATION EQUIPMENT

**COMMERCIAL REACH-IN REFRIGERATOR & FREEZERS**

**REFRIGERATED MERCHANDISERS**

**SALAD/SANDWICH PREP TABLE**

Commercial grade **Reach-In Refrigerators & Freezers** feature 3 or 6 adjustable shelves and bright interior lighting. Exterior digital temperature controls offer precise temperatures (freezer range -8 to 0°F, refrigerator range 33 to 40°F). R290 refrigerant offers low environmental impact. Bottom compressor for easy servicing. Rolls on 3" swivel polypropylene casters, 2 w/brakes. **Sandwich & Salad Table** is constructed of stainless steel and features two doors to keep food and supplies refrigerated and accessible. Cabinet area has 2 shelves. Table has up to 9.5 cubic foot capacity. Operating temperature ranges from 33° to 40°F. Lift-up compartment has an insulated lid and includes (12) 6-7/8" x 6-1/4" pans for storage. Full length cutting board for convenient prep. Self-closing hinged doors with 90° stay open feature. Forced air refrigeration system with R290 refrigerant. Inner thermometer displays temperature. NEMA 5-15P plug included. **Refrigerated Merchandisers** offers temperature controlled environment to display food and beverages. Units feature a corrosion resistant exterior. The double pane, single glass door offers access and high visibility. Bottom mount compressor is designed to be easily serviced and allows light duty storage on top of the unit. Includes front panel temperature controls and power switches for convenience. 8' power cord. Temperatures range from 33° - 40°F. All models NSF Certified.
